

FOUNDING CHARTER

of

Jackson Technical Institute

Established April 2025

I. Name and Establishment

I, the undersigned, do hereby found and establish Jackson Technical Institute as a private educational institution committed to the formation of students in classical trades, technical arts, civic responsibility, and applied stewardship.

This institution is founded under my sole authority as its originator and shall exist for the benefit of future generations under a legacy of order, discipline, and purpose.

II. Purpose

Jackson Technical Institute is established to provide instruction and training in:

- Construction, electrical, and mechanical trades
- Small business formation and land-based enterprise
- Veterinary assistance and animal stewardship
- Classical education in logic, rhetoric, and foundational ethics
- Technical disciplines rooted in craftsmanship and self-reliance

The institution is designed to serve students who seek to live with skill, purpose, and responsibility. All instruction shall reflect the highest standards of clarity, moral grounding, and practical excellence.

III. Governance

The sole founder and president of Jackson Technical Institute at its establishment is:

Christopher Logan Jackson
Founder & President
April 2025

Until such time as a formal Board of Trustees is created, all decisions regarding governance, curriculum, faculty, and expansion shall rest with the Founder or his appointed successors.

IV. Future Vision

Jackson Technical Institute is the first phase of a greater educational legacy. It is the stated intent of the Founder that the institution shall, in time and by order of readiness, give rise to a fully formed academic institution under the name Jackson University.

The University shall include selective undergraduate programs, professional and graduate schools, and a central academic philosophy rooted in clarity, tradition, and civic permanence.

V. Permanence and Custody

A copy of this charter shall be kept in both physical and digital form and maintained as part of the Jackson Educational Archive.

This founding document may be amended only by written order of the Founder or his formally designated academic heirs.

On this day, in the month of April, in the year 2025.

Christopher Logan Jackson
Founder & President
Jackson Technical Institute
